

Thank you for your past support of Northwestern Indiana Nursery and Landscape Association Annual Educational Seminar.

Preparations are under way for the 2020 Annual Educational Seminar on March 3, 2020 at Andorra Banquet Center in Schererville Indiana. In the past, we have asked for items to put in a raffle drawing and provided acknowledgement of your company accordingly.

This year, we are trying something a little different. We are seeking financial sponsorships for the day that will allow for one person from your company to come and have a display table at the event, if you desire, and you will have acknowledgement the day of the program. The sponsorship level desired is \$150.

We understand this is different from prior years and we hope this gives you the opportunity to network with individuals in the industry. If you are unable to join us, you can send materials to be displayed for you and you will be acknowledged that day.

In order to be listed on the publicity materials for the event, we need a response by January 15, 2020. Payment can be sent as late as February 1, 2020, if needed. If it is past that time, you will be recognized the day of the program and have a display table, if there is still room. You can send your financial support to NWINLA, PO Box 477, Crown Point, IN 46308. Checks can be payable to NWINLA.

Thank you for your interest and I look forward to hearing from you again soon! If you have any questions, feel free to reach me at the information provided below.

Sincerely,

Nikky Witkowski
